

Shenandoah Telecommunications Company Announces Rebranding of Horizon Telcom to Glo Fiber

April 15, 2024 at 4:55 PM EDT

EDINBURG, Va., April 15, 2024 /PRNewswire/ -- Shenandoah Telecommunications Company ("Shentel" or the "Company") (Nasdaq: SHEN) announced the rebranding of Horizon Telcom ("Horizon") to **Glo Fiber**. Horizon was acquired by Shentel in April 2024 and provides fiber optic broadband services to commercial customers in Ohio and adjacent states and residential customers in the markets of Chillicothe, Circleville, Lancaster, and Washington Courthouse, Ohio.

As a leading residential broadband internet provider, Glo Fiber takes great pride in several key differentiators compared to their competitors:

- Fiber-to-the-home technology with exceptional reliability
- Symmetrical download and upload speeds of up to 5 Gbps
- Easy, straight-forward pricing with no long-term contracts
- Prompt, superior local customer service

As a leading commercial fiber provider, Glo Fiber Business offers advanced data and voice services to enterprise customers, educational institutions, small businesses, and wholesale customers. Services include dedicated internet access and high-speed Ethernet with speeds up to 100 Gbps, dark fiber leasing, and managed network and security solutions.

"Glo Fiber and Glo Fiber Business have earned a strong reputation for providing superior local customer service and dependable broadband network solutions across our Mid-Atlantic markets. We are excited to bring our brand, network reliability, and customer focus to our new service areas in Ohio," said Ed McKay, Shentel's Chief Operating Officer.
