

100% fiber-optic network will bring multi-gigabit speeds to Zanesville, Ohio

July 30, 2024 at 3:30 PM EDT

EDINBURG, Va., July 30, 2024 /PRNewswire/ -- Glo Fiber, operated by Shenandoah Telecommunications Company ("Shentel") (NASDAQ: SHEN), announced plans to deploy next-generation, fiber-optic broadband services to approximately 13,800 homes and businesses in Zanesville, Ohio.

Focus on Ohio, VA, WV, MD and PA

"The City of Zanesville is excited for the Glo Fiber network expansion into our community. Reliable, high-speed internet is a vital tool in today's world, and this is a great opportunity to provide more fiber options to the residents, students, and businesses in our City," said Steve Beres, Assistant City

Engineer of Zanesville.

Glo Fiber provides super-fast, symmetrical upload and download speeds of up to 5 gigabits per second (Gbps). Fiber-to-the-home technology and Shentel's 15,600-mile regional fiber network enable Glo Fiber to deliver high speeds, low latency, and unparalleled internet reliability. The company has earned a reputation for providing superior local customer service across its markets, including a growing list of communities in Ohio. In addition to high-speed internet, Glo Fiber offers phone service, video service, and Whole Home Wi-Fi for a seamless connection anywhere in your home or business.

"Glo Fiber has expanded rapidly over the past five years, and we now pass over 275,000 homes and businesses with our leading-edge fiber-optic networks. We focus on providing outstanding customer service and exceptional network reliability, and we are very excited to expand our 100% fiber-optic network to additional communities in Ohio," said Shentel's Chief Operating Officer, Ed McKay.

As a leading broadband internet provider, Glo Fiber takes great pride in several key differentiators compared to competitors:

- Fiber-to-the-home technology with exceptional reliability
- Symmetrical download and upload speeds up to 5 Gbps
- Easy, straight-forward pricing with no long-term contracts
- Prompt local customer service
