This Addendum XXI, dated as of February 1, 2018, contains certain additional and supplemental terms and provisions to that certain Sprint PCS Management Agreement and the Sprint PCS Services Agreement, each entered into as of November 5, 1999, by the same parties as this Addendum (or their predecessors in interest). The Management Agreement and the Services Agreement were previously amended by Addenda I-XX (as so amended, the "Management Agreement" and the "Services Agreement," respectively). The terms and provisions of this Addendum control, supersede and amend any conflicting terms and provisions contained in the Management Agreement and the Services Agreement. Except for express modifications made in this Addendum, the Management Agreement and the Services Agreement continue in full force and effect.

Horizon Personal Communications, LLC, an Ohio limited liability company ("Horizon"), became a party to the Management Agreement and the Services Agreement by entering into Addendum XX. Effective July 1st, 2017, Horizon was merged into SprintCom, Inc., a Kansas corporation and an existing party to the Management Agreement and the Services Agreement.

Capitalized terms used and not otherwise defined in this Addendum have the meanings ascribed to them in the Management Agreement or the Services Agreement. Section and Exhibit references are to Sections and Exhibits of the Management Agreement or the Services Agreement, as applicable, unless otherwise noted.

This Addendum is effective on the date written above (the "Effective Date").

On the Effective Date, the parties agree as follows:

1. Amounts Payable by Manager. The last paragraph of Section 1.1 of the Management Agreement is amended to read as follows:

Subject to the terms and conditions of this Agreement, including, without limitation, Sections 1.9, 9.5 and 12.1.2, Sprint PCS has the right to unfettered access to the Service Area Network to be constructed by Manager under this Agreement. Except with respect to the payment obligations under Sections 1.4, 1.9.2, 1.10, 3.1.7, 3.8, 4.4, 9.3, 10.2, 10.4, 10.5, 10.6, 10.8, 10.9, 12.1.2 and Article XIII of this Agreement, Sections 2.1.1(d), 2.1.2(b), 3.2, 3.3, 3.4, 5.1.2, 3.5 and Article VI of the Services Agreement and any payments arising as a result of any default of the parties' obligations under this Agreement and the Services Agreement, any payments arising from the exercise of a purchase option by either party, the Fee Based on Billed Revenue described in Section 10.2.1 of this Agreement, the Prepaid Management Fee described in Section 10.2.7.3 of this Agreement, the LTE Fee described in Section 10.2.7.4 of this Agreement, the Command Center Fee described in Section 10.2.7.5 of this Agreement and the Net Service Fee, the Prepaid CPGA Fee, Prepaid CCPU Fees and LTE Data Core Services Fee described in the Services Agreement, the amounts payable by Manager under Sections 5, 15 and 24 of Addendum XVIII to the Management Agreement, the amounts payable under Sections 7, 8 and 11 of Addendum XX, and the amounts payable under Sections 6 and 7 of Addendum XXI will constitute the only payments between the parties under the Management Agreement, the Services Agreement and the Trademark License Agreements.

2. **Service Area.** On the Closing Date, as defined in that certain Expansion Agreement, of even date herewith among Sprint Spectrum L.P., SprintCom, Inc. and Manager (“Expansion Agreement”), the Service Area is hereby expanded to include the area described in the attached Exhibit A (the “Second Expansion Area”).
3. **Build Out Area.** On the Closing Date, the current Build Out Plan Table, Build Out Plan Description and Build Out Plan Map attached as Schedule 2.1 to the Management Agreement are amended to include the Build Out Plan Table, Build Out Plan Description and Build Out Plan Map described in the attached Exhibit B. Manager will, at its sole cost and expense, update, configure and thereafter maintain and support the Second Expansion Area as part of the Service Area Network (including enabling and providing the use of 2.5 GHz spectrum technology and services) in accordance with (a) the attached Build Out Plan Table, Build Out Plan Description and Build Out Plan Map, (b) all Program Requirements adopted by Sprint PCS, and (c) all applicable federal and local laws and regulations (the “Second Expansion Update”). Manager will use its best efforts to complete the Second Expansion Update by 12/31/2020 or sooner if required due to license requirements (the “Second Target Completion Date”), it being understood that matters that are not within the reasonable control of Manager, including, without limitation, availability of equipment and determinations of governmental authorities with respect to zoning and land use, but excluding financial inability, may affect Manager’s ability to complete the build out of the Expansion Area by the Target Completion Date. If Manager fails to complete the build out of the Second Expansion Area by the Target Completion Date, it will continue to use best efforts to achieve completion as soon as practicable thereafter. Manager’s build out obligations in the Second Expansion Area are in addition to Manager’s build out obligations described in Addendum XVIII and Addendum XX.
4. **Spectrum.** On the Closing Date, Sprint PCS will make available to Manager in the Second Expansion Area the wireless spectrum in the Second Expansion Area that is licensed to Sprint PCS or a Related Party of Sprint PCS, subject to any applicable regulatory approvals or licensee consent. The Exhibit D associated with Section 2.3(a) of the Management Agreement pursuant to Section 5 of Addendum XX is hereby deleted in its entirety and replaced with the attached Exhibit D.
5. **Waiver.** The build out obligations set forth in Section 3 of this Addendum supersede any contrary provisions in the Management Agreement and, to the extent applicable, Manager hereby specifically waives any rights under Sections 2.5 and 9.3 of the Management Agreement to decline to implement changes to Program Requirements associated with the build out obligations described in Section 3 of this Addendum. It is understood and agreed that although the provisions of Section 2.5 and 9.3 of the Management Agreement are waived with respect to the build out obligations set forth in Section 3 of this Addendum, other changes to Program Requirements not relating to such build out obligations will be subject to Section 2.5 and 9.3 of the Management Agreement, to the extent applicable.

6. **Management and Service Fees.** As of the Closing Date, the fees and credits relating to existing and future Sprint PCS Customers in the Second Expansion Area will be settled in accordance with the Management Agreement (including specifically Section 10 of the Management Agreement) and Manager will pay Sprint Spectrum L.P. for services in accordance with the Services Agreement (including specifically Section 3 of the Services Agreement). Sprint PCS and Manager agree that any Fee Based on Billed Revenue and Prepaid Management Fee attributable to the Second Expansion Area will be included in the "Sprint Monthly Retainage Amount" (as defined in Section 2.1 of the Master Agreement), though Sprint PCS specifically reserves the right to exclude any Fee Based on Billed Revenue and Prepaid Management Fee attributable to any future expansions (if any) of the Service Area from the Sprint Monthly Retainage Amount.
7. **LTE Data Core Services Fee.** Manager is required to pay a LTE Data Core Services Fee for existing Sprint PCS Subscribers with a Manager LTE Device in the Expansion Area on the Closing Date and for Sprint PCS Subscribers with a Manager LTE Device added in the Second Expansion Area after the Closing Date. Payment of the LTE Data Core Services Fee for the Sprint PCS Subscribers with a Manager LTE Device described in the preceding sentence will be made as part of the annual reconciliation of the LTE Data Core Services Fee.
8. **Miscellaneous Acknowledgements.** The Monthly Inter-Service Area Payment for the initial three year period ending on December 31, 2018 is not changed by the addition of the Second Expansion Area to the Service Area.
9. **Competing Transaction.** The fourth paragraph of Section 2.3(d)(ii) of the Management Agreement (which commences with a sentence providing "If Sprint PCS and Manager have not negotiated a mutually acceptable addendum within such 90 day period...") is hereby deleted and replaced with the following:

If Sprint PCS and Manager have not negotiated a mutually acceptable addendum within such 90 day period, then for a period of 60 days thereafter, Sprint PCS has and may elect to exercise an option to purchase the Operating Assets on the same terms and conditions and utilizing the same process and schedule available to Sprint PCS under Section 11.6.1 of the Agreement upon an Event of Termination by providing written notice to Manager; provided that the amount paid to Manager for the Operating Assets shall be 90% of the Entire Business Value; unless the Competing Transaction occurs (A) within five years following the Effective Date of Addendum XX, with respect to the Expansion Area, or (B) within five years following the Effective Date of Addendum XXI, with respect to the Second Expansion Area, in which case Manager will create a pro forma income statement for the Expansion Area and/or the Second Expansion area, as applicable, for the calendar year in which the option to purchase the Operating Assets occurs based on actual revenue and expenses relating to the Expansion Area and/or the Second Expansion Area, respectively (or if the amount of actual revenue and expenses cannot be determined, estimated revenues and expenses based on Manager's averages) to determine the pro forma EBITDA for the Expansion Area (the "Expansion Area EBITDA") and/or the Second Expansion Area (the "Second Expansion Area EBITDA"), as the case may be, for that calendar year. If 90% multiplied by the product of the Expansion Area EBITDA and/or the Second Expansion Area EBITDA, as the case may be, and the average of the multiples used by the three appraisers that value the Enterprise Business Value (such product, the "EBITDA Value") is less than the net book value of the Operating Assets in the Expansion Area or the Second Expansion Area (determined in a manner consistent with that used by Manager in preparing its financial statements), as the case may be, then Manager will receive Manager's net book value of the Operating Assets in the Expansion Area and/or the Second Expansion Area, plus 90% of the Entire Business Value excluding the Expansion Area and the Second Expansion Area. For avoidance of doubt, if 90% of the EBITDA Value is equal to or greater than the net book value of the Operating Assets in the Expansion Area and the Second Expansion Area, Manager will receive 90% of the Entire Business Value.

General Provisions

- 10. Manager and Sprint PCS' Representations.** Manager and Sprint PCS each represents and warrants that its respective execution, delivery and performance of its obligations described in this Addendum have been duly authorized by proper action of its governing body and do not and will not violate any material agreements to which it is a party. Each of Manager and Sprint PCS also represents and warrants that there are no legal or other claims, actions, counterclaims, proceedings or suits, at law or in arbitration or equity, pending or, to its knowledge, threatened against it, its Related Parties, officers or directors that question or may affect the validity of this Addendum, the execution and performance of the transactions contemplated by this Addendum or that party's right or obligation to consummate the transactions contemplated by this Addendum.
- 11. Reaffirmation of Sprint Agreements.** Each of the undersigned reaffirms in their entirety, together with their respective rights and obligations thereunder, the Management Agreement, the Services Agreement, the Trademark and Service Mark License Agreements, and the Schedule of Definitions (as defined in the Management Agreement).
- 12. Counterparts.** This Addendum may be executed in two or more counterparts, each of which shall constitute an original but all of which when taken together shall constitute but one agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Addendum to be executed as of the date first above written.

Section 4.1 Organization and Authority; Non-Contravention. Spectrum is a limited partnership and SprintCom is a corporation, each is duly organized, validly existing and in good standing under the laws of its state of organization, and each has all requisite power and authority, and has taken all action necessary in order to execute, deliver and perform its obligations under this Agreement. This Agreement, and the Transaction Documents to which Sprint is a party, constitute legal, valid and binding obligations of Sprint, enforceable against it in accordance with their respective terms, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and to general equity principles. Neither the execution, delivery and performance by Sprint of this Agreement or the other Transaction Documents to which Sprint is a party, nor the consummation of the Transactions, will: (i) conflict with, or result in a breach or violation of, any provision of Sprint's organizational agreements; (ii) constitute, with or without the giving of notice or passage of time or both, a material breach, violation or default, create a material Lien, or give rise to any material right of termination, modification, cancellation, prepayment or acceleration, under (A) any Law or (B) any note, bond, mortgage, indenture, lease, agreement or other instrument, in each case which is applicable to or binding upon Sprint or any of its assets; or (iii) require any Consent, other than in the case of clauses (ii) or (iii), any Consents to be obtained by the Parties in accordance with Section 6.2(b).

Shentel is a limited liability company and is duly organized, validly existing and in good standing under the laws of the Commonwealth of Virginia, has all requisite power and authority, and has taken all action necessary in order to execute, deliver and perform its obligations under this Agreement. This Agreement, and the other Transaction Documents to which Shentel is a party, constitute legal, valid and binding obligations of Shentel, enforceable against Shentel in accordance with their respective terms, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and to general equity principles. Neither the execution, delivery and performance by Shentel of this Agreement or the other Transaction Documents to which Shentel is a party, nor the consummation of the Transactions, will: (i) conflict with, or result in a breach or violation of, any provision of any of Shentel's organizational agreements; (ii) constitute, with or without the giving of notice or passage of time or both, a material breach, violation or default, create a material Lien, or give rise to any material right of termination, modification, cancellation, prepayment or acceleration, under (A) any Law or (B) any note, bond, mortgage, indenture, lease, agreement or other instrument, in each case which is applicable to or binding upon Shentel or its assets; or (iii) require any Consent, other than in the case of clauses (ii) or (iii), any Consents to be obtained by the Parties in accordance with Section 6.2(b).

Section 5.2 No Conflicts. Except as set forth in Schedule 4.2, no Governmental Authorization is required to be obtained or made by or with respect to Shentel in connection with the execution, delivery and performance of the Transaction Documents or the consummation of the Transactions.

Section 5.3 Litigation. There are no claims, demands or Proceedings pending or, to the Knowledge of Shentel, threatened against Shentel or any of its Affiliates that seeks to enjoin the Transaction Documents or the Transactions or otherwise prevent Shentel from performing its obligations under this Agreement or the other Transaction Documents or consummating the Transactions. There is no judgment, decree, injunction, rule, order, writ, decree or award of any court, Governmental Entity, arbitrator or other governmental or regulatory official, body or authority outstanding against Shentel or any of its Affiliates, and there are no unsatisfied judgments against Shentel or any of its Affiliates, in each case that would have a material adverse effect on Shentel's ability to consummate the Transactions.

Section 5.4 Brokers. Shentel has not employed any broker, finder or investment banker or incurred any liability for any brokerage fees, commissions or finder's fees in connection with the Transactions.

ARTICLE VI

COVENANTS AND AGREEMENTS

Section 6.1 Covenants and Agreements. Except as may be otherwise provided in this Agreement, each of the Parties shall use, and shall cause each of its Affiliates to use, its commercially reasonable efforts to take, or cause to be taken, all actions, and to do, or cause to be done, and to assist and cooperate with the other Party and its Affiliates in doing, all things necessary, proper or advisable to consummate and make effective, in the most expeditious manner practicable, the Transactions.

Section 6.2 Other Commercial Arrangements.

(a) Affiliation of Sprint Subscribers and Modification of Shentel Affiliate Agreements.

(i) At the Closing, the Parties shall execute and deliver to each other that certain Addendum XXI to the Shentel Affiliate Agreements, in substantially the form attached hereto as Exhibit A (the "Shentel Affiliate Addendum"), which includes, but is not limited to, the following: (A) an expansion of the Shentel Service Area (as defined in the Shentel Affiliate Agreements) to include the Expansion Area; and (B) the network build-out requirements outlined in an exhibit to the Shentel Affiliate Addendum.

(ii) As of the Closing and pursuant to the Shentel Affiliate Addendum, the postpaid and prepaid subscribers of Sprint and its Affiliates that are Homed to the Expansion Area (the "Sprint Subscribers") shall be deemed to be either "Customers" or "Prepaid Subscribers," as applicable, pursuant to the Shentel Affiliate Agreements, and fees and credits relating to the Sprint Subscribers shall be settled as set forth in the Shentel Affiliate Agreements. For the avoidance of doubt, any wholesale subscribers of Sprint and its Affiliates in the Expansion Area will be treated for purposes of the Shentel Affiliate Agreements the same as similar subscribers Homed to areas outside of the Expansion Area.

(iii) Sprint shall use its reasonable best efforts to reclassify the Expansion Area in its reporting system to be included as part of the Shentel Service Area (as defined in the Shentel Affiliate Agreements) as promptly as reasonably practical.

(b) Transition of Sprint Network.

(i) Within forty-five (45) days after the Closing, Sprint must provide Shentel with copies of all commercially reasonable leasing, network and environmental documentation in Sprint's possession related to the Existing Sites. Within ninety (90) days after the Closing Date, Shentel must provide Sprint with a list of Existing Sites that Shentel does not want to retain (the "Rejected Sites"). Shentel must supplement that list of Rejected Sites as promptly as reasonably practicable if Shentel subsequently determines in good faith that it does not desire to retain an Existing Site or it is unlikely that (A) any required Consent to an assignment of an Existing Lease can be obtained or (B) a New Lease for an Existing Site can be obtained. Sprint and Shentel will exercise reasonable best efforts between the date hereof and the second anniversary of the Closing to enable Sprint or its applicable Affiliates to assign, transfer, convey and deliver all of their right, title and interest in and to the Existing Sites other than the Rejected Sites (including by assigning the Existing Leases) to Shentel, pursuant to an assignment and assumption agreement substantially in the form attached hereto as Exhibit B (each, an "Assignment and Assumption Agreement") or, if required by the lessor under the applicable Existing Lease or otherwise agreed by the Parties, a new lease between Shentel and such lessor (a "New Lease"). Sprint and Shentel will jointly identify and exercise commercially reasonable efforts to obtain any required Consent to assignment for an Existing Lease (or a New Lease, if required by the property owner) other than an Existing Lease for a Rejected Site. Notwithstanding the foregoing or any other provision in this Agreement, Shentel shall not be under any obligation to enter into any Assignment and Assumption Agreement or any New Lease, provided that Shentel's failure to enter into any such Assignment and Assumption Agreement or New Lease will not release it from its build-out requirements under the Shentel Affiliate Addendum. Shentel is responsible for all costs payable to a property owner to obtain an Assignment and Assumption Agreement or New Lease, but, unless otherwise agreed in writing by Shentel and Sprint, Shentel will not be responsible for any amounts payable by Sprint or its Affiliates (including, without limitation, any early termination, transfer or assignment fees) under an Existing Lease, except for any monthly payments payable to Sprint pursuant to Section 6.2(b)(iii). Subject to obtaining any required consent for access from the counter-party to any Existing Lease, Sprint shall grant Shentel access to any Existing Site prior to the effective date of the Assignment and Assumption Agreement or New Lease to investigate the condition of such site or to prepare such Existing Site for Shentel's operations, provided that Shentel shall indemnify and hold Sprint and its Affiliates harmless from any damages and claims threatened or arising from Shentel's access to such site and shall minimize its interference with Sprint's operations at such site. Except as set forth in this Agreement or the applicable Assignment and Assumption Agreement or Bill of Sale, Sprint makes no representations or warranties as to the condition of any Retained Site or its suitability for any purpose.

(ii) Sprint will continue to operate each Existing Site (which may be a Rejected Site) that Shentel wants to (I) convert to a Retained Site or (II) replace with an Alternative Site from the date hereof until the earlier of (A) with respect to any Existing Site that does not become a Retained Site, 45 days after Shentel notifies Sprint and Sprint reasonably agrees that Shentel has completed construction of a new cell site or modification of an existing cell site (each, an "Alternative Site") that, individually or together with other Shentel cell sites (including Retained Sites), will provide comparable network coverage to such Existing Site and Shentel is prepared to commence transmitting and receiving wireless communications from the Alternative Site, (B) with respect to any Alternative Site or Retained Site, the date of the Transition as reasonably agreed to by the Parties, or (C) the effective date of termination or expiration of the applicable Existing Lease (each, a "Transition Period"). For the avoidance of doubt, Sprint is not required to exercise any renewal rights or restricted from exercising any non-renewal rights with respect to any Existing Site. Sprint and Shentel will cooperate and use their respective commercially reasonable efforts to ensure that there is a prompt and seamless cutover of wireless coverage and traffic in the Expansion Area from Sprint's network to Shentel's network from each Existing Site to either a Retained Site or an Alternative Site as contemplated herein (each, a "Transition"), which efforts shall include Sprint making the Site Equipment from any Existing Site available to Shentel for Shentel's use to facilitate a Transition to a Retained Site or an Alternative Site prior to the expiration of the Transition Period. Shentel may inspect the Site Equipment at any Existing Site and must notify Sprint in writing prior to the expiration of the Transition Period for that Existing Site whether Shentel elects to take possession of the Site Equipment at that Existing Site. For each Existing Site for which Shentel elects to take possession of the Site Equipment, at the end of the applicable Transition Period, (A) Sprint or its applicable Affiliate shall assign, transfer, convey and deliver to Shentel all of the Site Equipment located at such Existing Site pursuant to a bill of sale substantially in the form attached hereto as Exhibit C (each, a "Bill of Sale") and (B) within thirty (30) days thereafter, Shentel must pay to Sprint the sum of \$47,619 as the purchase price for such Site Equipment that is located on an Existing Site that is a macro cell site. If any of the Site Equipment at an Existing Site is damaged, destroyed or stolen and Sprint elects not to replace such Site Equipment with Site Equipment reasonably acceptable to Shentel, Shentel may elect to purchase the remaining Site Equipment at that Existing Site at a reduced purchase price mutually agreed to by the parties or Shentel may elect not to purchase the remaining Site Equipment at the Existing Site. If Shentel elects not to take possession of any Site Equipment at any Existing Site, Sprint shall, as soon as practicable, dismantle and/or dispose of any Site Equipment at such Existing Site, which dismantling and/or disposal shall be at Sprint's sole cost and expense. For all Rejected Sites, Sprint must cease operating any of its remaining transmission equipment at each such site as of the expiration of the Transition Period for such Rejected Site. "Site Equipment" shall mean the cables, antennae, equipment and other personal property, including the property listed on Schedule 6.2, of Sprint or its applicable Affiliate at an Existing Site.

(iii) For each Existing Site (including any Rejected Sites) that Shentel requests Sprint to continue operating because (A) such Existing Site has not yet become a Retained Site or (B) an Alternative Site is required to provide comparable coverage but it is not yet operational, Sprint shall continue to operate such Existing Site as contemplated in Section 6.2(b)(ii) and, in exchange therefor, Shentel shall pay to Sprint each month during the period from the Closing Date until the end of the applicable Transition Period for such Existing Site an amount equal to (1) \$5,100 for each Existing Site that is a macro cell site and (2) \$2,550 for each Existing Site that is a repeater site or mini-macro site, less the amount of any rent abatement or other similar abatement that the lessor may provide to Sprint or its applicable Affiliate for any Existing Site for which Shentel is paying to Sprint a monthly operating fee. Such monthly payments shall be deducted from the settlement amounts otherwise due to Shentel under the Shentel Affiliate Agreements.

(iv) As promptly as reasonably practical following Shentel's delivery of the list of Rejected Sites pursuant to Section 6.2(b)(i), Sprint or its applicable Affiliate and Shentel shall enter into an Assignment and Assumption Agreement to transfer all Existing Sites that Shentel wants to convert to Retained Sites for which Consents of the counter-parties to the Existing Leases are not required or have been obtained. For each other Existing Site (excluding any Rejected Sites), following the Closing until the earlier of (A) Shentel's determination that it does not want such Existing Site to become a Retained Site, (B) the expiration of the Existing Lease with respect to such Existing Site or (C) the second anniversary of the Closing Date, Sprint or its applicable Affiliate and Shentel will exercise reasonable best efforts to deliver, on a rolling basis, an Assignment and Assumption Agreement or New Lease for such Existing Site. Pursuant to each Assignment and Assumption Agreement, Shentel will assume from Sprint or its applicable Affiliates the payment, discharge and performance of all liabilities and obligations under the applicable Existing Lease relating to periods after the effective time of the Assignment and Assumption Agreement in accordance with the terms thereof.

Section 6.3 Notice of Certain Events. Each of the Parties shall use commercially reasonable efforts to, and to cause its Affiliates to, refrain from taking any action that would render any representation or warranty contained in this Agreement inaccurate in any material respect as of immediately prior to the Closing. Prior to the Closing, each Party shall promptly notify the other in writing (i) of any Proceeding that shall be instituted or threatened against such Party to restrain, prohibit or otherwise challenge the legality of any Transactions, (ii) of any development causing any of the representations and warranties of such Party in Articles IV or V above, as applicable, to be untrue in any material respect or (iii) of any Proceeding that may be threatened, brought, asserted or commenced against such Party which would have been required to have been disclosed if such Proceeding had arisen prior to the date hereof. No disclosure by either Party pursuant to this Section 6.3, however, shall be deemed to amend or supplement this Agreement or to prevent or cure any misrepresentation, breach of warranty or breach of covenant herein.

Section 6.4 Confidentiality. All non-public information, written or oral, provided by one Party (or its Affiliates) to any other Party (or its Affiliates) under this Agreement, whether in connection with the defense of a claim or otherwise, shall be kept confidential by the receiving Party and its Affiliates, and shall not be used or disclosed by the receiving Party or its Affiliates except to the extent required in connection with the performance of the receiving Party's obligations under this Agreement or as required by Law, and then only after the disclosing Party has provided the receiving Party with a reasonable opportunity to seek confidential treatment, a protective order or other limitation on such disclosure. This provision shall survive the Closing or termination of this Agreement for two (2) years. The foregoing provisions of this Section 6.4 are in addition to those in the Agreement for Mutual Use and Nondisclosure of Proprietary Information, effective as of September 23, 2014, by and between Sprint Spectrum L.P. and Shentel.

Section 6.5 Further AssurancesSection 6.6. Each Party shall forthwith upon request execute and deliver such documents and take such commercially reasonable actions, and cause its Affiliates to deliver such documents and take such commercially reasonable actions, as may reasonably be requested by the other Party in order to consummate the Transactions and effectuate the purposes of this Agreement.

(b) by either Party (provided that such Party is not otherwise in material breach) if the other Party has materially breached a representation, warranty, covenant or agreement set forth herein, and the breaching Party fails to cure such breach within sixty (60) days of written notice thereof; provided, however, that if the breaching Party diligently attempts to cure such breach during the sixty (60) day time period but fails to do so, such period will be automatically extended for an additional thirty (30) days;

(e) by either Party upon written notice to the other Party if the Closing shall not have occurred on or before the date that is six (6) months after the date hereof; provided, however, that the right to terminate this Agreement pursuant to this Section 8.1(e) shall not be available to any Party whose breach of, or failure to fulfill any material obligation under, this Agreement has been the primary cause of, or resulted in, the failure of this Transactions to be consummated on or before such date.

Section 8.2 Effect of Termination. IN THE EVENT OF A TERMINATION OF THIS AGREEMENT, NO PARTY SHALL HAVE ANY LIABILITY OR FURTHER OBLIGATION TO THE OTHER PARTIES TO THIS AGREEMENT, EXCEPT THAT (I) NOTHING HEREIN WILL RELIEVE A PARTY FROM LIABILITY FOR ANY BREACH OF ITS REPRESENTATIONS, WARRANTIES OR COVENANTS CONTAINED IN THIS AGREEMENT, PROVIDED, HOWEVER, THAT IN THE ABSENCE OF A KNOWING AND MATERIAL BREACH, THE BREACHING PARTY SHALL ONLY BE LIABLE TO THE NON-BREACHING PARTY FOR ITS REASONABLE AND DOCUMENTED OUT-OF-POCKET COSTS AND EXPENSES INCURRED IN CONDUCTING DUE DILIGENCE RELATED TO, NEGOTIATING AND PREPARING FOR THE CONSUMMATION OF THIS AGREEMENT; AND (II) THIS ARTICLE VIII AND ARTICLES IX AND X HEREOF SHALL SURVIVE THE TERMINATION OF THIS AGREEMENT FOR ANY REASON. WHETHER OR NOT THE CLOSING OCCURS, ALL COSTS AND EXPENSES INCURRED IN CONNECTION WITH THIS AGREEMENT AND THE TRANSACTIONS SHALL BE PAID BY THE PARTY INCURRING SUCH EXPENSES.

ARTICLE IX

SURVIVAL AND INDEMNIFICATION

Section 9.1 Survival. The representations and warranties contained in this Agreement shall survive the Closing until eighteen (18) months after the Closing Date and shall expire at such time. The covenants contained in this Agreement shall survive until they are fully performed. All indemnification obligations under this Agreement shall terminate as of the expiration of the survival period set forth in this Section, provided that the applicable survival period shall be extended automatically to include any time period necessary to resolve a claim for indemnification that was made prior to the expiration of such survival period and not resolved prior to such expiration, but any such extension shall apply only as to such claims expressly made in writing prior to such expiration. The right to indemnification, payment of Losses or other remedy based on such representations, warranties, covenants and obligations will not be affected by any investigation conducted with respect to, or any knowledge acquired (or capable of being acquired) at any time, whether before or after the Closing Date, with respect to the accuracy or inaccuracy of or compliance with, any such representation, warranty, covenant or obligation.

Section 9.2 Indemnification by Shentel. Shentel shall indemnify and hold harmless Sprint and its Affiliates, and their respective owners, managers, directors, officers, employees and agents (the "Sprint Indemnified Persons") from and against any and all demands, claims, liabilities, actions or causes of action, assessments, actual damages, fines, taxes (including, without limitation, excise and penalty taxes), losses, penalties, reasonable costs and expenses (including, without limitation, interest, reasonable expenses of investigation, reasonable fees and disbursements of counsel, accountants and other experts, whether such reasonable fees and disbursements of counsel, accountants and other experts relate to claims, actions or causes of action asserted by any Sprint Indemnified Person against Shentel or asserted by third Parties) (collectively "Losses"), incurred or suffered by Sprint or any Sprint Indemnified Person arising out of, in connection with or relating to (i) any material breach of any of the representations or warranties made by Shentel in this Agreement, (ii) any material failure by Shentel to perform any of its covenants or agreements contained in this Agreement or (iii) any Retained Site, to the extent relating to or arising from periods after the conveyance and assignment of such Retained Site to Shentel.

Section 9.3 Indemnification by Sprint. Sprint shall indemnify and hold harmless Shentel and its Affiliates, and their respective owners, managers, directors, officers, employees and agents (the "Shentel Indemnified Persons") from and against any and all Losses incurred or suffered by Shentel or any Shentel Indemnified Person arising out of, in connection with or relating to (i) any material breach of any of the representations or warranties made by Sprint in this Agreement, (ii) any material failure by Sprint to perform any of its covenants or agreements contained in this Agreement or (iii) any Retained Site, to the extent relating to or arising from periods at or prior to the conveyance and assignment of such Retained Site to Shentel.

Section 9.4 Remedies. Notwithstanding any provisions of this Article IX to the contrary, each of the Parties acknowledges and agrees that the Transactions are unique and that remedies at law, including monetary damages, will be inadequate in the event of a breach by it in the performance of its obligations under this Agreement. Accordingly, the Parties agree that in the event of any such breach, the non-breaching Party shall (subject to any defenses available to the breaching Party other than the possible adequacy of remedies at law) be entitled to a decree of specific performance pursuant to which the breaching Party is ordered to affirmatively carry out its obligations under this Agreement, subject to the conditions of this Agreement. The foregoing shall not be deemed to be or construed as a waiver or election of remedies by the non-breaching Party and the non-breaching Party expressly reserves any and all rights and remedies available to the non-breaching Party at law or in equity in the event of any breach or default by the breaching Party under this Agreement. Any Party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement shall not be required to provide any bond or other security in connection with any such order or injunction. The Parties acknowledge that in the absence of a waiver, a bond or undertaking may be required by a court and the Parties hereby waive any such requirement of such a bond or undertaking.

ARTICLE X

Shentel Announces Expansion of its Affiliate Relationship with Sprint

EDINBURG, Va., Feb. 05, 2018 (GLOBE NEWSWIRE) -- Shenandoah Telecommunications Company ("Shentel") (NASDAQ:SHEN) announces that it has closed a transaction to further expand its relationship with Sprint, effective February 1, 2018.

Shentel has signed an Expansion Agreement and amended its Affiliate Agreement with Sprint to expand its affiliate service territory, adding a population (POPs) of approximately 1.1 million in Lancaster County, PA, central Virginia, southwest Virginia, southern West Virginia, and eastern Kentucky with the opportunity to add an additional 200 thousand POPs in eastern KY. Shentel signed a similar agreement in 2017, expanding service to approximately 500 thousand POPs in the Parkersburg, WV and Cumberland, MD areas.

With this latest expansion, Shentel will have authorization to serve over 7 million POPs in the mid-Atlantic area as a Sprint PCS Affiliate. In exchange for compensation of \$65 million, Shentel will have the right to serve the expanded affiliate service territory and will acquire approximately 105 cell sites, with approximately 67 thousand Sprint postpaid and prepaid subscribers in the expansion area becoming Sprint branded affiliate customers managed by Shentel. Shentel has committed to spend approximately \$56 million over the next three years to expand and improve coverage in the expanded affiliate service territory.

President and CEO Christopher French commented "This expansion will create additional value for our shareholders and allows Shentel to build networks that will improve coverage between our current service areas and Sprint's metro networks, providing an enhanced experience for both Sprint and Sprint customers managed by Shentel."
